

Kia Ora!

Upper Hutt Cultural Festival is an opportunity for Upper Hutt Schools to come together to share our culture on one stage. Each year, the festival is hosted by different Upper Hutt schools and each year our festival tukutuku panel is passed to the next hosting school. This is a great opportunity for our Tamariki to showcase their talents.

Upper Hutt Cultural Festival is a memorial of the Late **Matua Willie Wilson** who was an instrumental figure in the success of this event over the years.

Please ensure that you leave in plenty of time for buses to get to the venue, on arrival please come straight into the auditorium. Our MC's are **Ryan** and **Pembrook** (both are experienced teachers currently working in our schools), with the assistance of Celia from Play.sport. Ryan will outline important housekeeping arrangements after our Mihi Whakatau.

Our programme for the day will run as follows....
